The beginning of the 19th century saw the rise of a remarkable Sikh leader in the Punjab province of north-west India. Unifying the feudal rulers under his authority, the conquering Maharaja Ranjit Singh pursued campaigns of expansion for nearly 40 years, creating for the purpose a new regular army on the Western model. His death in 1839 found the frontiers of Sikh and British power in confrontation; in the 1840s the inevitable trial of strength brought British crown and East India Company troops into battle against the most formidable Indian army they ever faced. Its story is told here in fascinating detail, illustrated with rare early paintings and with colourful reconstructions of Punjabi regular soldiers and feudal warriors. KX60 (1983-2002), KX80 (1983-1990) For years track days have been popular activities for European motorcyclists. In recent years it has become a very popular activity in the U.S. as well. As traffic laws become increasingly draconian, roads become increasingly congested, and motorcycles become increasingly capable, more people are taking their bikes to race tracks. Currently there are a number of organizations catering to people who attend track days. But many people who want to ride on racetracks don't attend track days because they don't know how to prepare themselves or their motorcycles for the racetrack. This book will provide tell them everything they need to know to hit the racetrack: how to prepare their motorcycles, how to find organizations that sponsor track days, where to attend track days, specific information for the major racetracks in the United States, information on track schools around the country, and much, much more. About the Author Kent Larson, an accomplished racer and a control rider for NESBA, one of the country's leading track day organizations, contributed the chapter on track days to our high performance riding book Total Control. Larson lives in Woodbury, Minnesota. KX125 1992-2000 Vespa and Lambretta remain the two most iconic motor scooter brands, even four decades after the latter's demise. But what made them such a European sensation in the postwar era? And why were they particularly popular in Britain in the 1950s and '60s? Motor scooter expert Stuart Owen explains the rise of Innocenti's Lambretta and Piaggio's Vespa, from the wartime ruins of Italy, through years of plenty as the two manufacturers exploited a ready market for affordable, economic transport, and then their decline into more uncertain times as motor cars trespassed on their success. He also explores the rich history of accessorising and customising the scooters, their essential role in the mod movement, and the revival in Vespa's fortunes following the release of the cult film Quadrophenia.

Sportman 400 (2001-2005), Sportsman 450 (2006-2007), Sportsman 450 Browning Edition (2006), Sportsman 500 (1996-2010), Sportsman 500 RSE (2000-2002), Sportsman 500 DUSE (2001-2002), Sportsman 500 HO (2001-2006, 2008-2010), Sportsman 500 X2 (2006-2010), Sp Larry Grodsky devoted his life to motorcycle safety. Through the riding courses he taught and his "Stayin' Safe" columns in Rider magazine (from 1988 until his untimely death in 2006), he helped thousands of motorcyclists improve their skills and their ability to ride really well. This collection of Grodsky's columns reveals his ability to illuminate complex and sometimes highly technical subjects with an entertaining and personal style, spiced with his trademark wry wit and keen observations of human behavior. A master teacher, Grodsky was constantly learning from his students, always striving to find the best way to lead riders towards the mastery of their two-wheeled vehicles. Many of his columns focus on helping riders develop specific skills (complete with practice exercises), while others deal with the riding environment and riders' mental processes. Although it is packed with information useful to both novice and experienced motorcyclists, this book is not structured as a how-to guide to motorcycle proficiency. Rather, it is a collection of thoughtful essays to be read and savored individually. Readers will be rewarded by the beautifully written stories of a great motorcycle riding instructor who has left his mark on a generation of grateful riders.
