Mexican Masculinities May 10 2022 *The rhetoric of "Mexicanness" makes constant use of images of masculinity, though it does so in shifting and often contradictory ways. Robert McKee Irwin's work follows these shifts from the male homosocial bonding that was central to notions of national integration in the nineteenth century, to questioning of gender norms stirred by science and scandals at the turn of the century, to the virulent reaction against gender chaos after the Mexican revolution, to the association of Mexicanness with machismo and homophobia in the literature of the 1940s and 1950s -- even as male homosexuality was established as an integral part of national culture. As the first historical study of how masculinity and, particularly, homosexuality were understood in Mexico in the national era,*

this book not only provides "queer readings" of major canonical texts of the period but also uncovers a variety of unknown texts from queer Mexican history. Book jacket.

Action Sep 14 2022 From the master of Story, Dialogue, and Character, ACTION offers writers the keys to propulsive storytelling. ACTION explores the ways that a modern-day writer can successfully tell an action story that not only stands apart, but wins the war on clichés. Teaming up with the former co-host of The Story Toolkit, Bassim El-Wakil, legendary story lecturer Robert McKee guides writers to award-winning originality by deconstructing the action genre, illuminating the challenges, and, more importantly, demonstrating how to master the demands of plot with surprising beats of innovation and ingenuity. Topics include: Understanding the Four Core Elements of Action Creating the Action Cast Hook, Hold, Pay Off: Design in Action The Action Macguffin Action Set Pieces The Sixteen Action Subgenres A must-add to the McKee storytelling library, ACTION illustrates the principles of narrative drive with precision and clarity by referencing the most popular action movies of our time including: Die Hard, The Star Wars Saga, Dark Knight, The Matrix, and Avengers: Endgame.

Annals of Augusta County, Virginia, from 1726 to 1871 Oct 23 2020

Me & Robert McKee Nov 23 2020 Billy, a writer, is reliant on teaching scriptwriting for a living and the bottle for oblivion; his sense of self-worth is teetering on the edge. When Mac, his best friend, a banker and would-be producer, offers him a screenplay to write, the offer is not all it seems. . . "Anyone can write . . . Writing is the great free market of artistic expression. There's no exams to pass, no subs to pay, no fees, no licence. It's open slather. Entirely self-regulatory. You can do whatever you please. Like banking." A play for anyone who has tried to write a screenplay -- or teach creative writing . . .

Out of the Darkness Oct 03 2021 As the old ways of the nineteenth century fade, Out of the Darkness tells a story that touches on the themes and issues America will face in

the new century that looms ahead. It is a story of technology and its place in society. It is a story of violence, a doctor's responsibility to his patient, and a lawyer's responsibility to his client. It is a story of forbidden love, and a story of a timid, terrified young woman s finding her courage. It questions humankind's ability and willingness to be a contributor in the quality and course of its own evolution. Ultimately, *Out of the Darkness* takes a look at what sort of people will populate a new age, and what sort of people will, inevitably, be left behind. "

Character Aug 13 2022 THE LEGENDARY TEACHER OF STORY . . . Robert McKee's new book, *CHARACTER*, is a masterly work with a primary purpose of enriching the reader's insight into the nature of a fictional character and sharpening the creative techniques necessary to invent a complex cast of personalities, starting with the protagonist then adding the first, second and third tiers of supporting roles. *CHARACTER* is a brilliant addition to the genre and is essential reading for all aspiring writers and an excellent companion volume to Robert McKee's hugely successful *STORY* and *DIALOGUE*. Divided into four parts (In praise of Character, Character Creation, The Character Universe and Character Relationships) *CHARACTER* has a primary purpose of enriching the reader's insight into the nature of a fictional character and sharpens the creative techniques necessary to invent a complex cast of personalities, starting with the protagonist then adding the cast of supporting roles. McKee uses scenes from classic films and television programmes, *Sex and the City*, *Casablanca*, *The Sopranos*, *Breaking Bad* and *Fawlty Towers*, and the works of classical dramatists, Homer, Shakespeare, Samuel Beckett, to demonstrate how characters are constructed and developed for page, stage and screen. Robert McKee is an author, lecturer and story consultant whose popular writing workshops have brought him international fame. His book *STORY*, is the basis for his programme and it has defined how we regard the art of story creation. In *STORY*'s companion volume, *DIALOGUE*, McKee offers the same in-depth analysis of how actors speak on the

screen, on the stage and on the page.

The Futurist Dec 05 2021 With the release of *Avatar* in December 2009, James Cameron cements his reputation as king of sci-fi and blockbuster filmmaking. It's a distinction he's long been building, through a directing career that includes such cinematic landmarks as *The Terminator*, *Aliens*, *The Abyss*, and the highest grossing movie of all time, *Titanic*. *The Futurist* is the first in-depth look at every aspect of this audacious creative genius—culminating in an exclusive behind-the-scenes glimpse of the making of *Avatar*, the movie that promises to utterly transform the way motion pictures are created and perceived. As decisive a break with the past as the transition from silents to talkies, *Avatar* pushes 3-D, live action, and photo-realistic CGI to a new level. It rips through the emotional barrier of the screen to transport the audience to a fabulous new virtual world. With cooperation from the often reclusive Cameron, author Rebecca Keegan has crafted a singularly revealing portrait of the director's life and work. We meet the young truck driver who sees *Star Wars* and sets out to learn how to make even better movies himself—starting by taking apart the first 35mm camera he rented to see how it works. We observe the neophyte director deciding over lunch with Arnold Schwarzenegger that the ex-body builder turned actor is wrong in every way for the *Terminator* role as written, but perfect regardless. After the success of *The Terminator*, Cameron refines his special-effects wizardry with a big-time Hollywood budget in the creation of the relentlessly exciting *Aliens*. He builds an immense underwater set for *The Abyss* in the massive containment vessel of an abandoned nuclear power plant—where he pushes his scuba-breathing cast to and sometimes past their physical and emotional breaking points (including a white rat that Cameron saved from drowning by performing CPR). And on the set of *Titanic*, the director struggles to stay in charge when someone maliciously spikes craft services' mussel chowder with a

massive dose of PCP, rendering most of the cast and crew temporarily psychotic. Now, after his movies have earned over \$5 billion at the box office, James Cameron is astounding the world with the most expensive, innovative, and ambitious movie of his career. For decades the moviemaker has been ready to tell the Avatar story but was forced to hold off his ambitions until technology caught up with his vision. Going beyond the technical ingenuity and narrative power that Cameron has long demonstrated, Avatar shatters old cinematic paradigms and ushers in a new era of storytelling. The Futurist is the story of the man who finally brought movies into the twenty-first century.

Storynomics Oct 15 2022 Based on the hottest, most in-demand seminar offered by the legendary story master Robert McKee -- STORYNOMICS translates the lessons of storytelling in business into economic and leadership success. Robert McKee's popular writing workshops have earned him an international reputation. The list of alumni with Academy Awards and Emmy Awards runs off the page. The cornerstone of his program is his singular book, Story, which has defined how we talk about the art of story creation. Now in STORYNOMICS, McKee partners with digital marketing expert and Skyword CEO Tom Gerace to map a path for brands seeking to navigate the rapid decline of interrupt advertising. After successfully guiding organizations as diverse as

Samsung, Marriott International, Philips, Microsoft, Nike, IBM, and Siemens to transform their marketing from an ad-centric to story-centric approach, McKee and Gerace now bring this knowledge to business leaders and entrepreneurs alike. Drawing from dozens of story-driven strategies and case studies taken from leading B2B and B2C brands, *STORYNOMICS* demonstrates how original storytelling delivers results that surpass traditional advertising. How will brands and their customers connect in the future? *STORYNOMICS* provides the answer.

Relief of Robert McKee. Jan 26 2021

Dialogue Dec 17 2022 The long-awaited follow-up to the perennially bestselling writers' guide *Story*, from the most sought-after expert in the art of storytelling. Robert McKee's popular writing workshops have earned him an international reputation. The list of alumni with Oscars runs off the page. The cornerstone of his program is his singular book, *Story*, which has defined how we talk about the art of story creation. Now, in *DIALOGUE*, McKee offers the same in-depth analysis for how characters speak on the screen, on the stage, and on the page in believable and engaging ways. From *Macbeth* to *Breaking Bad*, McKee deconstructs key scenes to illustrate the strategies and techniques of dialogue. *DIALOGUE* applies a framework of incisive thinking to instruct the prospective writer on how to craft artful, impactful speech. Famous McKee alumni include Peter Jackson, Jane Campion, Geoffrey Rush, Paul Haggis, the writing team for Pixar, and many others.

Story Jul 20 2020 A noted screenwriter and educator presents a complete guide to the art of screenwriting, explaining how to develop a storyline, refine a work in progress, and other key aspects of creating works for film. Reprint.

Story Feb 19 2023 Robert McKee's screenwriting workshops have earned him an international reputation for inspiring novices, refining works in progress and putting major screenwriting careers back on track. Quincy Jones, Diane Keaton, Gloria Steinem, Julia Roberts, John Cleese and David Bowie are just a few of his celebrity alumni. Writers,

producers, development executives and agents all flock to his lecture series, praising it as a mesmerizing and intense learning experience. In *Story*, McKee expands on the concepts he teaches in his \$450 seminars (considered a must by industry insiders), providing readers with the most comprehensive, integrated explanation of the craft of writing for the screen. No one better understands how all the elements of a screenplay fit together, and no one is better qualified to explain the "magic" of story construction and the relationship between structure and character than Robert McKee.

Global Mexican Cinema Jan 06 2022 The golden age of Mexican cinema, which spanned the 1930s through to the 1950s, saw Mexico's film industry become one of the most productive in the world, exercising a decisive influence on national culture and identity. In the first major study of the global reception and impact of Mexican Golden Age cinema, this book captures the key aspects of its international success, from its role in forming a nostalgic cultural landscape for Mexican emigrants working in the United States, to its economic and cultural influence on Latin America, Spain and Yugoslavia. Challenging existing perceptions, the authors reveal how its film industry helped establish Mexico as a long standing centre of cultural influence for the Spanish-speaking world and beyond.

Robert McKee's Account for Weaving Jun 18 2020

The Story Grid May 30 2021 **WHAT IS THE STORY GRID?** The Story Grid is a tool developed by editor Shawn Coyne to analyze stories and provide helpful editorial comments. It's like a CT Scan that takes a photo of the global story and tells the editor or writer what is working, what is not, and what must be done to make what works better and fix what's not. The Story Grid breaks down the component parts of stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult). The Story Grid is a tool with many applications: 1. It will tell a writer if a Story ?works? or ?doesn't work. 2. It pinpoints story problems but does not emotionally abuse the writer,

revealing exactly where a Story (not the person creating the Story'the Story) has failed. 3. It will tell the writer the specific work necessary to fix that Story's problems. 4. It is a tool to re-envision and resuscitate a seemingly irredeemable pile of paper stuck in an attic drawer. 5. It is a tool that can inspire an original creation.

Gypsy Rock Apr 28 2021 Central Wyoming-1892 Wyoming Territory is the kind of land where a man can make a life for himself, but it can be just as easy to take the outlaw trail as to do the right thing...easier, sometimes. Deputy Hugo Dorling is determined to take the hard way-and stand up for justice, no matter how rough things might get. In the midst of the vast grazing lands and the discovery of precious metals, greed abounds, and there are a few who will commit murder to take what they want. But Deputy Dorling isn't alone in his fight. Twenty-year-old Billy Young stands with him through it all. Billy has suffered losses, and views the grizzled deputy as the family he no longer has. His loyalty runs deep for his mentor and friend. When one evil act sets off a chain of events that spirals downward culminating in dozens of brutal deaths, Billy is determined to join Hugo Dorling in the almost insurmountable fight against the hate and prejudice that envelopes Gypsy Rock and the entire community. But the corruption and brutality runs much deeper than Hugo or Billy realize, and the only people they can trust are one another. When guns blaze, will either of them be able to survive the showdown at GYPSY ROCK?

Summary of Robert McKee & Thomas Gerace's Storynomics Jun 11 2022 Please note: This is a companion version & not the original book. Sample Book Insights: #1 The history of advertising is long and complicated, but it all started with newspapers. As the popularity of these publications grew, so did their revenue. As a result, they were able to lower their subscription costs, which allowed them to sell more papers. #2 The first completely ad-supported media was television, which began in the 1940s. It outperformed all other media because it combined mass reach, a rich visual medium for messaging, and guaranteed audience attention. #3 In 2006, the cost of targeted online video ads surpassed

that of television advertising, because pre-roll ads on YouTube and interrupt ads on Hulu guaranteed viewership and online delivery allowed more powerful ad targeting. #4 By 2005, broadband adoption in the home surpassed dial-up in the United States. With this faster connection came a game changer for consumers: choice.

Character Nov 16 2022 The long-awaited third volume of Robert McKee's trilogy on the art of fiction. Following up his perennially bestselling writers' guide *Story* and his inspiring exploration of the art of verbal action in *Dialogue*, the most sought-after expert in the storytelling brings his insights to the creation of compelling characters and the design of their casts. *CHARACTER* explores the design of a character universe: The dimensionality, complexity and arcing of a protagonist, the invention of orbiting major characters, all encircled by a cast of service and supporting roles.

Presentation Zen Sep 02 2021 FOREWORD BY GUY KAWASAKI
Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net – presentationzen.com – shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. *Presentation Zen* challenges the conventional wisdom of making "slide presentations" in today's world and encourages you to think

differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

Story Jan 18 2023 "In Story screenwriting guru Robert McKee presents his powerful and much sought-after knowledge in a comprehensive guide to the essentials of screenwriting and storytelling." -- Methuen.

Killing Blood Mar 08 2022 Billy Young boards a train with his brother, Frank, unaware that only one of them will survive the short, hell-bound ride. When a group of brutal outlaws led by a man called Blood begins to methodically shoot the passengers down, Billy finds a way to save himself with the sole purpose of avenging his brother's death. But as events unfold, in an unlikely twist, Billy discovers the outlaws are working for someone else--someone with much to gain from the deaths of certain people in the community. Frank's murder sets Billy on the trail of the three men who changed his world forever--and he won't stop until he finds every last one of them. Once he tracks them down, he'll exact his vengeance--and it will be a pleasure. He'll follow them to hell and back with one thing on his mind...KILLING BLOOD!

The Family of William Robert McKee, 1785 to 1867 Feb 24 2021

The McKee Family History of Noble County, Ohio Aug 01 2021 David McKee is known as the progenitor of the McKee family of Noble County, Ohio; however, with our current lifestyles and social terms, Martha, David's wife, may well be included in this status. David died rather suddenly in 1815, leaving Martha to raise and oversee their family as they continued to live in the wilderness. David and Martha were together for twenty-eight years. They had seven sons and two daughters, who went on to prosper in the local community. Several McKee descendants continue to live in Noble County today. They too follow the same family values that David and

Martha instilled in their sons and daughters. They were a pioneer settler family, who were of the front line of defense against the native Indians as trouble took place.

Register of Kentucky State Historical Society Oct 11 2019

Killing Blood Nov 11 2019 "What sort of men rob a train, collect the loot and then start shooting everyone on board? Billy Young doesn't know the answer to that question. But one of the passengers was his brother, and he intends to do whatever it takes to find out. And once he does, he'll exact it in blood. Wyoming is now a state, but not much has changed on the range. The big outfits still make the rules, and that is a lesson they plan to teach everyone who needs to learn it. Including nineteen-year-old Billy Young." -- Cover, p. [4].
