Celebrate achievements of all kinds with the children in your care. Whether they are memorizing Scripture, earning attendance awards, or helping others, Faith That Sticks charts will help you applaud the little and big victories alike. Use in conjunction with Faith That Sticks awards and miniature stickers of all kinds. “This book is a treasure, and I can’t wait to share it with the people I love.” — Shauna Niequist, author of Present Over Perfect Nourishment is a funny word to find on a coloring book. But as Lindsay Sherbondy prayerfully thought about what the Lord was leading her to say through these lettered love notes, it was this: You are worthy of nourishment. All too often, we take the time to nourish others—with our words, with our time, with our energy—while neglecting to receive it for ourselves. But as we read scripture, we see the Lord desires more for us. Sweeter Than Honey invites you to slow down, to take a moment for yourself, and to bask in the soul-nourishment that comes from being creative and letting God’s Word soak into your heart. This book includes never-before-seen prints from Lindsay Sherbondy, artist and owner of the online shop Lindsay

Letters, as well as a few favorites, alongside devotionals and quotes that lead you to reflect upon reflect upon the sweet and beautiful nourishment God offers.” As a bonus, each perforated page becomes its own 8x10 art print! As you color and meditate on these words, let them feed your heart and mind, energize your life, and restore your soul. Where does honey come from? Bees! Discover what happens inside a bee hive, watch beekeepers gather and process honey, make a yummy recipe using honey, and do a craft project that explores what honeycombs look like. From honey experts C. Marina Marchese and Kim Flottum comes this comprehensive introduction to the origin, flavor, and culinary uses of more than 30 varietals of honey, from ubiquitous clover to tangy star thistle to rich, smoky buckwheat Like wine, cheese, coffee, and chocolate, honey has emerged as an artisanal obsession. Its popularity at farmers' markets and specialty food stores has soared as retailers are capitalizing on the trend. The Honey Connoisseur teaches consumers everything they need to know about how to taste, select, and use a diverse selection of honey. After a brief explanation of how bees produce honey, the authors introduce the concept of terroir, the notion that soil, weather, and other natural phenomena can affect the taste of honey. As with wines, knowing the terroir of a honey varietal helps to inform an understanding of its flavor. The book goes on to give a thorough course in the origins of more than 30 different

honeys as well as step-by-step instructions, how to taste honey, describe its flavor and determine what other flavors pair best with a particular honey. Also included are simple recipes such as dressings, marinades, quick-and-easy desserts, and beverages. Beautifully illustrated and designed, *The Honey Connoisseur* is the perfect book for foodies and locavores alike. Praise for *The Honey Connoisseur*: "Of all the near-perfect food we generally take for granted, honey suffers more than most (except for cheese). *The Honey Connoisseur* lays it all out on the table; Marina Marchese and Kim Flottum tell the whole story including its dark side in an eloquent style. The reader will never look at the honey jar the same way." -- Max McCalman, author of *Mastering Cheese*, *Cheese: Connoisseur's Guide to the World's Best*, and *The Cheese Plate* "Eureka! This is the book I've been looking for. As a restaurateur who has traveled high and low in search of the world's finest wines, I have always respected the role terroir plays in creating and nurturing a region's culinary personality. Ever since I took up beekeeping, I've been on the hunt for the definitive guide to the essence of honey: how to taste it, which local factors influence its flavor, and most importantly for me, how to pair it with other ingredients like an expert." ?Julian Niccolini, Owner of *The Four Seasons Restaurant*, New York City "With the authors' depth of knowledge, I cannot think of a better resource on honey. This book makes me want to bake with all the varieties.

Finally, a honey bible! The Honey Connoisseur is truly a great book." ?John Barricelli, author of The Seasonal Baker and The Sono Baking Company Cookbook "Marina Marchese and Kim Flottum's knowledge of this fascinating and increasingly popular subject is unparalleled. Together, they have composed the preeminent book about honey and its regional culinary food pairings." ?Nicholas Coleman, Chief Olive Oil Specialist, Eataly NYC Welcome to a journey through one of the most beloved chapters in the Bible – Psalm 119. Charles Spurgeon, the well-known 19th century British preacher, called it "a great sea of holy teaching . . . a continent of sacred thought, every inch of which is as fertile as the garden of the Lord". Whether you are reading Psalm 119 for the first time or have thrilled your soul in this text many times before, you'll be challenged to dig deep into this treasure chest of truth. Come and see why the psalmist proclaims to his God, "How sweet are your words to my taste, sweeter than honey to my mouth" (Psalm 119:103). Lace St. Thomas operates Immaculate Perception, a hot Vegas firm that pairs wealthy clients with sexy female escorts. But when one of her most requested girls turns up dead, Lace knows she's in real danger. Renaming herself Honey Thomas, she flees to Atlanta to start a new life. But her past is not so easily left behind, and it will take everything Honey has to flip this bad-news script and fight to save everything she's worked for. A consideration of

one of the Bible's most powerful stories from a leading Israeli writer In this fascinating reexamination of the story of Samson, David Grossman goes beyond the surface of the familiar tale to look into what the life of this extraordinary man must have been like. What it felt like to have been "chosen" to release his people from the yoke of the Philistines, and yet alienated from them by his very otherness; what moved him to his acts of wild vandalism and his self-destructive passions; why he chose to keep some things secret, but not the most significant secret of all. We are left with the troubling knowledge that Samson bore too heavy a burden even for a man of his supernatural strength to bear alone. "There are few other Bible stories with so much drama and action, narrative fireworks and raw emotion, as we find in the tale of Samson: the battle with the lion; the three hundred burning foxes; the women he bedded and the one woman that he loved; his betrayal by all the women in his life, from his mother to Delilah; and, in the end, his murderous suicide, when he brought the house down on himself and three thousand Philistines. Yet beyond the wild impulsiveness, the chaos, the din, we can make out a life story that is, at bottom, the tortured journey of a single, lonely and turbulent soul who never found, anywhere, a true home in the world, whose very body was a harsh place of exile. For me, this discovery, this recognition, is the point at which the myth – for all its grand images, its larger-than-life adventures – slips

silently into the day-to-day existence of each of us, into our most private moments, our buried secrets.” –from David Grossman’s introduction to Lion’s Honey Lace St. Thomas operates Immaculate Perception, a hot Vegas firm that pairs wealthy clients with sexy female escorts. But when one of her most requested girls turns up dead, Lace knows she's in real danger. Renaming herself Honey Thomas, she flees to Atlanta to start a new life. But her past is not so easily left behind, and it will take everything Honey has to flip this bad-news script and fight to save everything she's worked for. Bestselling author and environmental activist Bill McKibben recounts the personal and global story of the fight to build and preserve a sustainable planet. Bill McKibben is not a person you'd expect to find hand - cuffed in the city jail in Washington, D.C. But that's where he spent three days in the summer of 2011, after leading the largest civil disobedience in thirty years to protest the Keystone XL pipeline. A few months later the protesters would see their efforts rewarded when President Obama agreed to put the project on hold. And yet McKibben realized that this small and temporary victory was at best a stepping - stone. With the Arctic melting, the Midwest in drought, and Hurricane Sandy scouring the Atlantic, the need for much deeper solutions was obvious. Some of those would come at the local level, and McKibben recounts a year he spends in the company of a beekeeper raising his hives as part of the growing trend

toward local food. Other solutions would come from a much larger fight against the fossil - fuel industry as a whole. *Oil and Honey* is McKibben's account of these two necessary and mutually reinforcing sides of the global climate fight - from the absolute centre of the maelstrom and from the growing hive of small - scale local answers to the climate crisis. With characteristic empathy and passion, he reveals the imperative to work on both levels, telling the story of raising one year's honey crop and building a social movement that's still cresting. *More Than Honey*, the book based on the award-winning documentary of the same name, takes us on a global tour of the world of bees, introducing us along the way to killer bees, Frankenbees, beekeepers, and human pollinators. Markus Imhoof and Claus-Peter Lieckfeld examine both the history and current status of our relationship to and reliance on bees, and expose the human behaviours that are contributing to the decline of the bee population--a decline that could ultimately contribute directly to a world food problem.-- An extraordinary story of a girl, her grandfather and one of nature's most mysterious and beguiling creatures: the honeybee. Meredith May recalls the first time a honeybee crawled on her arm. She was five years old, her parents had recently split and suddenly she found herself in the care of her grandfather, an eccentric beekeeper who made honey in a rusty old military bus in the yard. That first close encounter was at once terrifying and exhilarating for

May, and in that moment she discovered that everything she needed to know about life and family was right before her eyes, in the secret world of bees. May turned to her grandfather and the art of beekeeping as an escape from her troubled reality. Her mother had receded into a volatile cycle of neurosis and despair and spent most days locked away in the bedroom. It was during this pivotal time in May's childhood that she learned to take care of herself, forged an unbreakable bond with her grandfather and opened her eyes to the magic and wisdom of nature. The bees became a guiding force in May's life, teaching her about family and community, loyalty and survival and the unequivocal relationship between a mother and her child. Part memoir, part beekeeping odyssey, *The Honey Bus* is an unforgettable story about finding home in the most unusual of places, and how a tiny, little-understood insect could save a life. *Sweeter than Honey* is a 30-day guided journal for your quiet time. As you spend time in God's Word and prayer, you will learn more about who God is, how much Jesus loves you, and how you can live your life to glorify the Eternal God of the Bible. As the first in a series of guided journals, *Sweeter Than Honey, Volume 1* will give you a brief taste of several books of the Bible from both the Old and New Testaments. Each day includes a passage of Scripture, questions to answer about that passage, questions to guide you in living what you learn, encouragement in specific prayer practices, and a

verse from the day's passage to meditate on throughout the day. Sweeter Than Honey also includes information about why and how to have a daily quiet time, guidance for your prayer time, a month-long gratitude journal in two styles, a place to record your memory verses, and extra journaling space for each day. Sweeter Than Honey in the Honeycomb By: Antoinette Jackson “We all need to examine ourselves in the mirror of God’s Word.” I have written this book to help us advance to our inner-selves. It will assist us all to see ourselves as we are and guide us to apply more truths as we interact with each scriptural passage. By journaling our entries, we will gain a fresh opportunity to reexamine our nature. This is an occasion to polish our ways and form new habits with God. Through private introspection and guided questions, we will examine ourselves and become biblically groomed. This “Inside Out” approach will be a casual way to provide ourselves with a spiritual check-up. We will benefit from the many reminders of His love and provisions for us... or as I like to say, “Sweeten-up ourselves!” Let’s begin this day together! Your Loving Minister, Sister and Friend, Toni The Color Me Closer: A Creative Devotional Series is themed for a thirty-day journey to encourage creative personal and spiritual growth. It offers a challenge to go beyond reading, and invites you on an excursion into the creative process with the Creator Himself. Sweeter than Honey, the first in the series, focuses on scriptures that

pertain to the goodness of God as it is used for healing and comfort, guidance and direction, reproof and correction, and insight and wisdom. Each day is sectioned into the following parts: • Seek: a scripture that relates to the series' theme • Reflect: a short applicable devotion that discusses the scripture • Respond: a prayer • Create: a suggested prompt to help you meditate on the Word as you work with the provided image, as you add your creative flare to the image, or as you venture out and design your own image! When you pick up and begin to use the devotional, remember to breathe. There is no right or wrong in the creative process. It is meant to be used as a small nudge into the Creator's heart and hands. Invite Him into the journey. Listen as He speaks to your heart. Create with Him. Create for Him. Women discuss their involvement in the struggle for the liberation of Tigray, in northern Ethiopia. This sweet companion to David Ezra Stein's award-winning *Leaves* celebrates the joy of savoring something you love. Bear is ravenous when he wakes up from his winter sleep and has one thing on his mind: honey! Alas, it is too soon for honey, so Bear tries hard to be patient. The world around him is waking up, too, and he soon remembers all the other things he loves, like warm grass, berries, and rain. He's almost content, until, one day, he hears a welcome buzzing sound . . . and finally it is time for Bear to delight in the thing he relishes above all others--and it is as warm, golden, sweet, and good as he

remembered. Just as honeybees are found all over the world so are recipes that use their honey. Caribbean jerk, Spanish tapas, French sauces, British biscuits and Turkish cakes all gleam with the sweet stuff. It can take no more than a spoonful of honey to bring its deep flavour to a dish. As a marinade it can enhance meat and poultry, and it works particularly well with nuts and fruits, cream and cheese, herbs and spices. Spoonfuls of Honey explores varieties of honey, explains what to consider when buying and storing it, gives tips on how to use it in your cooking, and also explores the benefits to your health and the role bees and honey play in nature. It also features over 80 recipes covering meals throughout the day and also snacks, preserves, sweets and drinks.

Praise for *Sweetness & Light: The Mysterious History of the Honeybee* by Hattie Ellis 'Like the densely packed honeycomb of the hive, [Ellis'] book is jam-packed with information, ideas, stories and questions. Fascinating.' *The Independent* 'Richly informative and beautifully written.' Richard Mabey, *The Times*

A display of Reformation and Post-Reformation Bibles, psalters, and other works from the Rare Book Collection of the Hekman Library held April 12-June 14, 2002. I had the happy privilege of partly introducing Loris to the Hebrew language. It soon became apparent that she had a rare gift. In short order, she became the "teacher" and added greatly to the entire class. On her own she started tutoring friends, including neighborhood

children. She has a beautiful heart full of love for the Bible and others. It does not surprise me to see the creative work she has done. Both she and her book are bound to be a blessing. Professor Don Pickerill's *Sweeter Than Honey* is an amazing series of insights put together by Loris DeMarco. It is more than just some thoughts for devotion. It is a gift with the intention to inspire the body of Christ. The Hebrew application to the Word is as the title "Sweeter Than Honey" ...oh how sweet! The richness presented in her commentary is something to be thankful for; that which can only come from a heart, which is sincerely in love with the Lord and His Word. Loris has given us so much colour in her writings which I believe will help us the reader understand and enjoy God's Word more as He intends for us to understand and love it. Well done Loris and thanks for your dedication to the Lord and His Word. Ashley Van Wyk General Supervisor of the Foursquare Churches in Western Australia. Loris DeMarco is a born-again, Spirit-filled Christian who fellowships at The White House Community Church with her husband Pino, and has done so for over thirty years: it was formerly The Victoria Park Foursquare Church founded by Jean Darnell. She is employed as Treasurer at the above Church. She also lectures in the White House Training Bible College. Loris and Pino live in Huntingdale, Perth, Western Australia. DIVWant to satisfy your heart with God's sweetly flowing truths applied to your life?

Here's a biblical honeycomb for you. For two-thousand years, Christians around the world have sought the Blessed Virgin Mary as a guide to growing closer to her Son, Jesus. Through Scripture, Catholic teaching, devotions, and countless works of art, we come to see Mary as our Mother, too. Through the Year with Mary by Katherine Bogner brings together the Church's traditions in one place and provides a year-long plan for coming to know and love the Mother of God through Weekly passages from Scripture, saints, and scholars Reflections to nurture your understanding of Marian teaching and devotion Sacred art from around the world Marian prayers to teach you to grow closer to Jesus through Mary This comprehensive resource will help adults and children alike to entrust themselves to the most loving Mother of Jesus. Through the Year with Mary has received the nihil obstat and imprimatur. Nihil obstat: Msgr. Philip D. Halfacre, V.G. Censor Librorum Imprimatur: Most Rev. Daniel R. Jenky, C.S.C. Bishop of Peoria September 15, 2021 I had the happy privilege of partly introducing Loris to the Hebrew language. It soon became apparent that she had a rare gift. In short order, she became the "teacher" and added greatly to the entire class. On her own she started tutoring friends, including neighborhood children. She has a beautiful heart full of love for the Bible and others. It does not surprise me to see the creative work she has done. Both she and her book are bound to be a blessing. Professor Don Pickerill

Sweeter Than Honey is an amazing series of insights put together by Loris DeMarco. It is more than just some thoughts for devotion. It is a gift with the intention to inspire the body of Christ. The Hebrew application to the Word is as the title "Sweeter Than Honey" ...oh how sweet! The richness presented in her commentary is something to be thankful for; that which can only come from a heart, which is sincerely in love with the Lord and His Word. Loris has given us so much colour in her writings which I believe will help us the reader understand and enjoy God's Word more as He intends for us to understand and love it. Well done Loris and thanks for your dedication to the Lord and His Word. Ashley Van Wyk Senior Pastor of The White House Community Church in Ferndale. Western Australia. How it Works: 1. Look up the verse listed and write it in the space provided. 2. Use a dictionary to research the definitions of the words listed and write them in the space provided. 3. Rewrite the verse in the space provided, substituting the words listed with their definitions or a paraphrase of the definitions. 4. Read the notes in the Apply section. 5. Reflect on the verse, as well as the notes in the Apply section, and use the space provided to answer the questions and to write out thoughts, a prayer, or specific ways you can apply the verse to your life. The book is divided into four chapters, and each chapter serves a different purpose. Deals with a different pain. Heals a different heartache. Milk and Honey takes readers through a

journey of the most bitter moments in life and finds sweetness in them because there is sweetness everywhere if you are just willing to look. A talented baker and a small-town sheriff forced into a fake relationship decide whether to take a chance on love in this delectable romance from Joy Avery. Baker extraordinaire Rylee Harris has a recipe for everything--except love. It's been five years since she lost her husband, but romance is still a struggle for Rylee. In her small hamlet of Honey Hill, North Carolina, Rylee knows she'll be the talk of the town when she finds someone new. To ease her mother's worries about her love life, Rylee impulsively invents a fake relationship with the only man who's caught her eye: the town sheriff, Canten Barnes. It's supposed to be a secret, but secrets don't last long in Honey Hill. One bit of gossip leads to another, and soon the whole town thinks Rylee and Canten are an item. As Rylee and Canten embark on a make-believe relationship to save face, they slowly realize that their feelings for each other aren't fake at all. Can Rylee and Canten keep the charade going--or will the town's prized baker and respected lawman take a real chance on love? A lavishly illustrated exploration of the mysterious, hidden world of forest-dwelling wild honey bees—with new insights that promise to revolutionize conservation and beekeeping. The honey bee, a key pollinator, is now an endangered species, threatened by human activity and loss of biodiversity. Because of this, understanding forest-dwelling wild

honey bees—which are more resistant to diseases and parasites than honey bees kept by beekeepers—is more important than ever before. In this lavishly illustrated book, Ingo Arndt, one of the world’s best wildlife photographers, and Jürgen Tautz, one of the world’s leading bee experts, set out on the trail of wild honey bees, bringing back sensational photographs, some of which document behaviors never captured before, and new scientific insights that promise to revolutionize conservation and beekeeping. A remarkable number of wild honey bee colonies still exist, living in hollow trees inside the forest, largely unnoticed by humans. This book explores the fascinating secret world of wild honey bees, including the adaptations and behaviors they have acquired to survive and the new challenges they face today. Featuring incredible macro and wide-angle photographs, some taken from inside hives, *Wild Honey Bees* is a unique collaboration that documents a major research project and offers critical new insights about these essential creatures. A stunning photographic record that documents for the first time the original way of life of the endangered, forest-dwelling honey bee. A unique collaboration between one of the world’s best wildlife photographers and one of its leading bee experts. Features incredible macro and wide-angle photographs, some from inside the hive, depicting bees as never seen before. Offers fascinating new insights into the mysterious, hidden world of the wild honey bee. Many preachers steer

clear of the Old Testament because they feel it is outdated in light of the New Testament and difficult to expound. On the other hand some preachers will preach from the Old Testament frequently but fail to handle it correctly, and end up preaching nothing but legalistic rules or symbolic lessons for our spiritual life. In this book, Christopher J. H. Wright encourages preachers not to ignore the Old Testament! It is the Word of God, it lays the foundation for our faith and it was the Bible that was read and used by Jesus. It is the first part of the great biblical story, from creation to new creation. And because it is the journey that leads to Christ, it is, in fact, part of our story too. Looking first at why we should preach from the Old Testament, the author then moves on to showing the reader how to handle different kinds of literature in it. He guides us through the History, Law, Prophets, Psalms and Wisdom Literature of the Old Testament. Interspersed with detailed checklists, suggested exercises and specimen sermons, this is a very practical handbook for anyone committed to authentic Biblical preaching. Nothing sweetens and satisfies like all-natural honey. In this delightful cookbook, Doris Mech, a professional beekeeper and purveyor of fine honey, shares 236 of her favorite recipes that use honey as the primary sweetener. Recipes include breakfast dishes, breads, salads and dressings, main dishes, vegetables, cakes, pies, cookies and other desserts. Among the recipes are: Banana Sunflower Seed Pancakes,

Grandma's Little Honey Buns, Cranberry Honey Loaf, Herb-Glazed Teriyaki, Raspberry Honey Cake, Red White and Blueberry Pie, Granola Honey Drops, Sesame Honey Candy. Filled with time-tested advice on cooking (and canning) with honey, Joy with Honey is sure to have honey lovers buzzing! As the bees gather nectar from flowers to make honey, we are to gather the words of Jesus from the Bible and put them in our hearts where they will be as sweet as honey. We are to share the sweet words of Jesus with others. Jesus' words are sweet as well as powerful to our heart and soul. Let them minister to you. Learning and studying about Jesus is a lifetime responsibility. That is one reason I have created the Daily Bible reading and prayer book. The day goes better if we begin it by reading the Bible and praying. Feel free to list your prayer requests and your praises in this book. Be sure to write the answers to your prayers with the dates they were answered. It is important to praise God for all the answers to your prayers. For a girl like Melody and a dog like Mo, life can be both sticky and sweet. Melody has lived in Royal, Indiana, for as long as she can remember. It's been just her and her father, and she's been okay with that. But then she overhears him calling someone Honey -- and suddenly it feels like everyone in Royal has a secret. It's up to Melody and her best friend, Nick, to piece together the clues and discover why Honey is being hidden. Meanwhile, a dog named Mo is new to Royal. He doesn't

remember much from when he was a puppy . . . but he keeps having dreams of a girl he is bound to meet someday. This girl, he's sure, will change everything. In HONEY, Sarah Weeks introduces two characters -- one a girl, one a dog-- who are reaching back further than their memories in order to figure out where they came from and where they're going. It's a total treat from beginning to end. But, if my hands were empty of honey, and pearls and gold, There were treasures far sweeter than honey, and marvelous things to be told. -Gulistan This is the true story of a young man's epic bicycle journey from England to India. Traveling more than eight thousand miles, he encounters all manner of adventure, from the curious company of a butterfly in the wilds of Iran to the aftermath of a coup in Kandahar, Afghanistan--from navigating the foreign yet welcoming Muslim world, where he learns the basics of Islam, to the journey's end in mystical India, where he arrives at an understanding of what it means to be free. William Spencer establishes himself as a writer to watch in his debut book, weaving masterful storytelling and cultural insights in a page-turning adventure. It's no secret that Pooh loves to eat honey, but when he visits Rabbit one morning and enjoys a smackerel of his honey, Rabbit asks if Pooh has ever tried anything new. Pooh thinks for a moment but can't come up with an answer! So Pooh decides to try some new things: he gardens with Rabbit, eats thistles with Eeyore, and even does chores with

Kanga and Roo. But all the while, Pooh can't seem to get honey off his mind. Will Pooh ever be able to stop thinking about honey? **NEW YORK TIMES BESTSELLER •** “Alternatingly heart-pounding and heartbreaking. This collaboration between two best-selling authors seamlessly weaves together Olivia and Lily’s journeys, creating a provocative exploration of the strength that love and acceptance require.”—The Washington Post **GOOD MORNING AMERICA BOOK CLUB PICK • PEOPLE’S BOOK OF THE WEEK ONE OF THE BEST BOOKS OF THE YEAR: PopSugar** Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising their beautiful son, Asher—was upended when her husband revealed a darker side. She never imagined that she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in and taking over her father’s beekeeping business. Lily Campanello is familiar with do-overs, too. When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. And for just a short while, these new beginnings are exactly what Olivia and Lily need. Their paths cross when Asher falls for the new girl in school, and Lily can’t help but fall for him, too. With Ash, she feels happy for the first time. Yet at times, she wonders if she can trust him completely. . . . Then one day, Olivia receives a phone

call: Lily is dead, and Asher is being questioned by the police. Olivia is adamant that her son is innocent. But she would be lying if she didn't acknowledge the flashes of his father's temper in Ash, and as the case against him unfolds, she realizes he's hidden more than he's shared with her. *Mad Honey* is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we take in order to become ourselves. Describes the process of making honey, from a bee's collection of nectar to honey production on a beekeeper's farm.

**NATIONAL BESTSELLER** A top journalist crosses the yellow tape to investigate a shocking high-society crime. Billionaires, philanthropists, socialites . . . victims. Barry and Honey Sherman appeared to lead charmed lives. But the world was shocked in late 2017 when their bodies were found in a bizarre tableau in their elegant Toronto home. First described as murder-suicide — belts looped around their necks, they were found seated beside their basement swimming pool — police later ruled it a staged, targeted double murder. Nothing about the case made sense to friends of the founder of one of the world's largest generic pharmaceutical firms and his wife, a powerhouse in Canada's charity world. Together, their wealth has been estimated at well over \$4.7 billion. There was another side to the story. A strategic genius who built a large generic drug company — Apotex Inc. — Barry Sherman was a self-described workaholic,

renowned risk-taker, and disruptor during his fifty-year career. Regarded as a generous friend by many, Sherman was also feared by others. He was criticized for stifling academic freedom and using the courts to win at all costs. Upset with building issues at his mansion, he sued and recouped millions from tradespeople. At the time of his death, Sherman had just won a decades-old legal case involving four cousins who wanted 20 percent of his fortune. Toronto Star investigative journalist Kevin Donovan chronicles the unsettling story from the beginning, interviewing family members, friends, and colleagues, and sheds new light on the Shermans' lives and the disturbing double murder. Deeply researched and authoritative, *The Billionaire Murders* is a compulsively readable tale of a strange and perplexing crime. During the past five decades, entertainment media have been the most powerful educators and promoters of social change in nearly every society throughout the world. William Brown has studied the influence of mass media on the values, beliefs, and behaviors of media consumers in more than 40 countries during the past 35 years. In this book, you will learn the most powerful media and arts strategy of the 21st century known as the entertainment-education communication strategy. If you are an advanced undergraduate or honors student or a graduate student working on a graduate degree in communication, media studies, theatre, journalism, cinema-television, scriptwriting, or a closely related area of

study or degree program in the humanities or social sciences, this book is written for you.
